A bloom!

Abloom has been awarded Best of the Best Flower Shop by the Colorado Community Newspapers!

Thank you all for your support! Highlands Ranch is an amazing community to be a part of. We felt your love and support during the shutdown, and we continue to be thankful to all of you for keeping our doors open and our business steady!

Now we are going to ask for just a little more love... It's an honor to be nominated again this year for the **Denver-A-List!** Please help us out and follow this link to vote for **Abloom for Best Wedding Florist!** Thank you!!!

Summer is upon us and with these hot days comes some of the most beautiful locally grown flowers and plants! Abloom appreciates and supports **Colorado growers** whenever possible! Thanks for the gorgeous *sunflowers, asters, iris, lilies, freesia and dahlias* — you can see them all in our cooler!

And as always, we have some gorgeous *phalaenopsis* plants in the house—as we all need to have our \$ stretch a bit further these days, these bloomers have a great value! With proper care blooms can last up to 8 months!

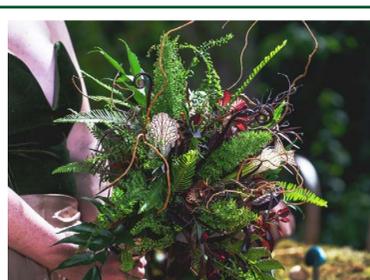

In late May we did a **Styled Elopement Shoot with MAG Events.**

Meg is very creative, and we always love teaming up with her for anything she is involved with!

It was a Woodlands Theme... love how it turned out!

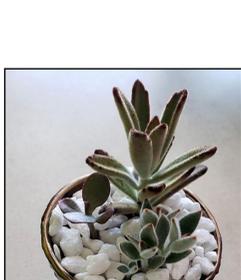

Always a pleasure to also work with **Zara Ashby Photography, Chelsea Elle, Hair and Makeup and Event Rents** on this styled shoot!

Come on in and take a look around the gallery—we are constantly changing! You know that one of our greatest weaknesses is *blown and fused glass* and we have some lovely new work for you to check out. You may even find a new favorite glass for your summer beverages!

The *succulent craze* is back at Abloom! Come see all of our various succulent gardens and lovely display. Great gifts for those who don't have a green thumb!

Gratefully, we are remaining busy this summer with smaller weddings and intimate celebrations. We know that if we all remain smart and safe, socially distance and keep our masks on, our community and our state will continue to remain open for business—but it is absolutely up to each and every one of us to make that happen! No one wants another shutdown like other states are looking at!

If you are ready to talk about an upcoming event, we are ready to schedule a conversation with you! As so many events have shifted to 2021, it is already looking like a busy summer next year—**so do not hesitate to plan ahead and get on our calendar now!** Give us a call at 303.470.1700 and ask for Linda or Maxine to schedule a consult.

Be sure to visit us on Sundays while you are at Town Center for the Farmers' Market—we are open from 10-2 and always have a *Sunday Market Special!*

If you aren't following *Abloom* on Facebook or Twitter, you're missing out on our daily flower specials posted only through these sources!

The heat is on! Keep cool!!
